

## Celebration Books Program

The PTA's Celebration Book Program supports the Arnold Media Center, adding new books to the collection that the whole student body can use and enjoy. Thanks to the generosity of Arnold families and staff members, we added 50 books to the Media Center's shelves last year. If you have a special occasion, a wonderful person you would like to honor, or if you just want to help the Media Center grow, why not give a donation to the book fund?

Your donation of \$10 (or more) provides a new book for our Media Center, which Mrs. Jan Smith will select specifically for your child. A personalized bookplate in the front of the book will tell everyone that your child donated that book. At the Celebration Book Check-out in the spring, your child will be the first to check out the book he/she donated.

A Celebration Book is a lasting contribution to Arnold Elementary. Send in your donation today! Please enclose your check and the form below in an envelope marked CELEBRATION BOOKS. (Make your check payable to: Arnold PTA)

Thank you for helping to make Arnold's Media Center the best around!
